SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.8 Payment Arrangements, (Cont'd.)

2.8.2 Billing and Collection of Charges, (cont'd.)

- (F) Billing of the Customer by the Company will begin on the Effective Date, as defined in Section 1.
- (G) If any portion of the payment is not received by the Company by the due date on the invoice, or if any portion of the payment is received by the Company in funds that are not immediately available upon presentment, then a late payment charge of 1.5% per month shall be due to the Company. A late payment charge is not applicable to subsequent rebilling of any amount to which a late payment charge has already been applied. Late payment charges are to be applied without discrimination.
- (H) All business customers will be charged a monthly Account Detail Fee of \$7.95. The purpose of the Account Detail Fee is to recover costs associated with providing a paper invoice consisting of call detail for business customers on a monthly basis. The Account Detail Fee will be waived if the customer elects to obtain their call detail online in lieu of receiving paper copies of their call detail. (I)

All business customers shall continue to receive paper summary bill page and a remittance slip free of charge. If a customer has both Local and Long Distance service with the Company, the monthly recurring fee, if not waived, will only apply once. Once a year as required by the Commission rules, the customer, upon request, shall receive full call detail free of charge.
- (I) In the event that the Company incurs fees or expenses, including attorney's fees, in collecting or attempting to collect any charges owed to the Company, the Company may charge the Customer all such fees and expenses reasonably incurred.
- (J) **Duplicate Bills**
A Duplicate Bill Charge will be applied upon a Customer's request for a duplicate copy of the telephone bill. The Company will assess this charge based on an individual case basis (ICB). Requests for duplicate bills can be made either verbally or in writing.

5.15 Select 100

Select 100 is a business service that is available to new customers who subscribe to the Select 100 local product described in the Company's Local tariff. Select 100 rates are based on flat rates and duration of the call. Domestic Inbound/Outbound long distance calls are timed in 6-second increments after the initial 60 seconds of the call. The customer will receive 100 free long distance minutes per line per month, aggregated at the account level. Free minutes from this combined total are applied as aggregate usage accrues. The rate per minute is not applicable to international, calling card, operator services or directory assistance charges. There are no violations for discontinuance of service. If a Select 100 customer cancels local service with the Company, at any time, they will be converted to Business Connections long distance rates. No term discounts apply.

A monthly recurring fee will apply for subscription to both Long Distance and Local Select 100 service, however, the fee can be waived if the customer subscribes to on-line billing through the Company's free eBillMaster billing service.

Select 100 may not be available in all areas. Customers can contact one of the Company's customer service representatives at 1-800-239-3000 to find out where this service is available in their area.
